Following screen appears, please ensure to verify your email for the “Welcome to CPhA” email

The screenshot shows the top navigation bar of the CPhA website. On the left, there is a logo for the Canadian Pharmacists Association (Association des pharmaciens du Canada). On the right, there is a 'Login / Register' link. Below the navigation bar, the main heading is 'CHECK YOUR EMAIL'. Underneath, there is a paragraph: 'Check the email account associated with your username for instructions on creating your CPhA community password.' A 'Please note' section follows, stating: 'If you do not receive our email confirmation after registration within a few minutes, please look in your junk/spam folder. If you are still unable to log in, contact CPhA service@pharmacists.ca or 1-800-917-9489.' At the bottom of this section is a blue link that says 'Back to login'.

Once you are in the Welcome email, click on link to To get started with us, [create your CPhA profile password](#).

Set your password and then submit, next screen will appear and then proceed to the my profile ICON

The screenshot shows the CPhA website with a user profile icon circled in red. The navigation bar includes the CPhA logo and the text 'Canadian Pharmacists Association' and 'Association des pharmaciens du Canada'. The user profile icon is labeled 'Kassandra Roy Perron' and includes a shopping cart icon. Below the navigation bar, there are two main sections: 'Options d'abonnement' (Subscription Options) and 'Édition imprimée' (Print Edition). Each section features an image of a laptop and a smartphone for the subscription options, and two book covers for the print edition. Both sections include the text 'Tous les produits et services disponibles sur notre site Web.' and a red button labeled 'Acheter tout' (Buy All).

Scroll to where you can enter the mobile code, enter org code and set the CPS Username and Password login (it can be the same as the one you've just created or a different one), then click NEXT

Lastly, an email is sent to you with instructions on how to download the CPS mobile on your mobile. Thank you for registering to use CPS Mobile. Your access to CPS ensures that you get reliable, peer-reviewed, and evidence-based drug and therapeutic information.

To access the CPS mobile app. Please follow the steps below.

1. Download the CPS mobile app for [iOS](#) or [Android](#).
2. Log in with the username and password that you created on the registration page.
3. Once you're in the app, accept the Terms and Conditions and proceed to download content to your device.

Note: After you log in for the first time, download the content. This will allow you to access content while your device is offline.

For additional support, our team is available Mon-Fri 8:30 to 4:30PM EST. Please contact us at service@pharmacists.ca or 1-800-917-9489 and we'd be happy to assist.
