Strategic Plan
Projects in Play

01 Research Visibility
Goal: To promote and share strategies for increasing the global visibility of Memorial's research.

02 Space
Goal: To ensure Library spaces continue to evolve to reflect user needs.

03 Leadership in Place
Goal: To develop and implement an employee program to maximize our impact and empower our people to be leaders in their everyday work.

04 Research Data Management
Goal: To improve RDM practices, supports, and resources at Memorial University.

05 Archival Services Platform
Goal: To create a unified and integrated archival services platform for Memorial's archives.

06 Workflows
Goal: To identify improvements in current processes for the benefit of library users.

07 Communications Platform
Goal: Enhance communications for greater impact with students, faculty, and researchers.

08 Organizational Review
Goal: To reimage our organizational structure.
